Glendale once again is rolling out the red spirit throughout the city for both businesses and residents who would like to show their support!

Stop by the Glendale Visitor Center today to pick up "Super Cards!" Super Bowl signs to proudly display your Cardinals fever whether it's in a car window, front door or a store front to show support of our hometown team.

Signs will be given out on a first-come, first-served basis with a limit of five per person. The Glendale Visitor Center is located in downtown Glendale, 5800 W. Glenn Drive, suite 140. **Electronic Waste Recycling Event.** With the change to a digital signal for television broadcasts taking place soon, many residents will be disposing of old televisions and many other outdated electronics that may not be compatible. In an effort to provide residents a convenient option for disposal, Glendale's sanitation division is hosting a one-day e-waste recycling event from 10 a.m. - 2 p.m., Saturday, February 7 at Sahuaro Ranch Park.

Residents are encouraged to not only drop off their old TVs, but also to dispose of other electronics such as: computers, printers, power supplies, routers, cable, wiring, cell phones and electronic games. The drop-off site is at the Sahuaro Ranch Park Softball Complex – North Parking Lot (63rd Avenue and Mountain View Rd.)

Since the event is for Glendale residents only, participants will be required to show proof of residency to participate in the program. Please present a valid driver's license or photo ID and a current city water bill. [Read more.](#)
